Wine Club is a great way to try new, unique, and fantastic wines at a great price. Wine Club features new, small batch, boutique and limited availability wines. These wines will typically not be available for purchase in store.

Wine Club members will receive 2 (sometimes 3) hand selected for quality and value by our wine specialists each month. Wines will typically be red, but an occasional white/rose may be included. Alternate Reds will be available upon request.

Each month you will receive a "passport" which will outline the region, theme, vineyard, winemaker and/or any other information to help tell the story of the wine. We will also include recipe to include with each wine.

Our Wine Club costs \$39.95 each month, features 2 wines (sometimes 3) and is billed monthly.

Our Cellar Club is for our wine collectors, and will feature 1-2 bottles for the wine connoisseur, meant to go in your wine cellar. Cellar Club is billed \$100 quarterly.

Members will have credit cards charged the third Monday of the month, and wines will be available for pick up the following day.

**MEMBERSHIP HAS IT PRIVILEGES:**

- 10% wine discount on pickup days Tues-Thurs (No minimum)
- Members only tastings
- Priority on limited release wines
